July 18, 2008

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

RESPONSE TO RESTRICTION REQUIREMENT

In response to restriction requirement dated June 18, 2008, Applicant elects without traverse the claims of Group I (i.e., claims 1-4, 7, 8, 10 and 12-16).

Applicants appreciate the courtesies extended by Examiner Nguyen during the telephonic interview conducted on July 15, 2008, during which the Examiner agreed that the claims of Group I include claims 1-4, 7, 8, 10 and 12-16, and the claim of Group II is claim 11.

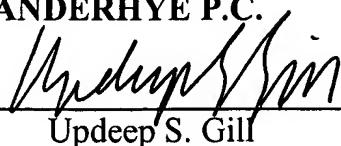

Because a restriction requirement is never proper unless the restricted group(s) of claims is patentably distinct (i.e., inter alia, non-obvious under U.S.C. Section 103) from the elected group of claims, the Examiner is requested to ensure that such patentable distinctness is present before proceeding to make the requirement final.

FUKUSHIMA et al.
Serial No. 10/530,861

Applicants reserve the right to file divisional application(s) directed to the subject matter of the non-elected claims.

Respectfully submitted,
NIXON & VANDERHYE P.C.
